

God Wants You to Know That:

1. You are a sinner and cannot save yourself.

"For all have sinned and come short of the glory of God." (Romans 3:23)

"Not by works of righteousness which we have done, but according to His mercy He saved us." (Titus 3:5)

2. Acceptance or refusal determines your destiny.

"He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life: but the wrath of God abideth on him." (John 3:36)

"How shall we escape if we neglect so great salvation." (Hebrews 2:3)

3. You must repent of your sins, confess them and forsake them.

"If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness." (1 John 1:9)

"Whoso confesseth and forsaketh them {his sins} shall obtain mercy." (Proverbs 28:13)

4. Jesus Christ has already provided the way of salvation.

"For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life." (John 3:16)

"For Christ also hath once suffered for sins, the just for the unjust, that He might bring us to God."

Proper Names of Demons

The information in the following dictionary of proper names of demon spirits was derived from several sources: *The King James Bible*; *Demolishing the Hosts of Hell*, by Win Worley, pp. 21,39; *Annihilating the Hosts of Hell, Book 1*, by Win Worley, Book 1, pages 88,92; *Annihilating the Hosts of Hell Book 2*, by Win Worley, pp. 25,109; *Pigs in the Parlor* by Frank Hammond, pp. 113-115,126,127; *Youngs Analytical Concordance*; and *The American College Dictionary*.

Many of these names occur in spiritualist and other occult literature. Perhaps it would be helpful for deliverance workers at least to be aware of them. Keep in mind, however, that in many cases the exact name of the demon is NOT required for his expulsion. **In nearly every case I have known, words describing the activities of the demon were sufficient to rout him.**

Because we are not to be ignorant of Satan's devices, this list has been assembled for the convenience of deliverance workers. Hopefully, a review of some of the categories and demonic chains of command will give insight into how network of evil spirits operate.

"Lest Satan should get an advantage of us: for we are not ignorant of his devices."
(2 Corinthians 2:11)

Because Satan and his legions are legalists, it is often of some benefit to know the exact name of the enemy. This will sometimes destroy another legal excuse for him to stay in his victim. *Note:* If there are Bible verses which seem applicable to the demon or his work, the scripture references are included.

Preparations to Receive Deliverance

One of the best preparations you can make before receiving deliverance is to carefully read the books and booklets in the Hosts of Hell series written by Pastor Win Worley. This will save a great deal of explanation regarding methods and approaches used in deliverance. Fasting one or more days, coupled with intense Bible study and personal prayer immediately preceding a deliverance session has also proved to be a valuable aid. Those who have followed preliminary steps of renunciation prayers, etc., outlined in the books usually are ready to move directly into deliverance. For those new to the deliverance ministry we would recommend the **"Deliverance Starter Package"**. It consists of the following 14 booklets: "Warfare Prayers (#4), Binding & Loosing/Curses and Soul Ties (#5), Invading Enemy Territory (#6), Inviting Demonic Attack (#8), Holding Your Deliverance (#9), Getting Started in Deliverance (#11), God's Plan for Leadership (#14), Demonic Deceptions (#15), How Demons Operate (#16), The Curse of Jezebel (#17), The Satanic Cosmos (#18), Sins of the Fathers (#24), The Fragmented Soul (#26) and, Evil Spirits of Arrested Development (#42)"
